

# ICM ACADEMY NEWS

NOVEMBER 2024-2025

As a school, we are evolving and growing daily. This month, we successfully finished our accreditation review with Cognia, and we are eagerly anticipating their decision in the coming months.

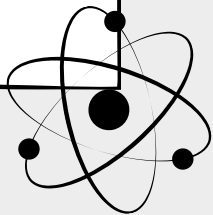

# 1.

## SCIENCE GUY SHOW!

This month, our students got a visit from the Science Guy! The event included fun science experiments, interesting chemical reactions, and amazing physical phenomena. Students actively took part in these hands-on activities. It was a very entertaining, thrilling, and educational experience. Our students had a great time!

# 2.

## UPCOMING EVENTS

December 20th:

- Half Day for students

December 23rd - January 3rd

- Winter Break (No school)

# 3.

## BUILDING LIFELONG SKILLS

We are dedicated to providing our students with opportunities that help them develop essential lifelong skills. For instance, this month, the first graders completed a project where they wrote and presented their own stories to the class. This experience fosters their confidence and enhances the social skills that will benefit them throughout their lives.

# 4.

## ISLAMIC EDUCATION

At ICM Academy, learning about our faith is always a priority and is woven into every part of our day. For instance, the kindergarten students focused on learning about the Seerah of Prophet Muhammad (SAW). Each student created a project to showcase what they had learned.

# 5. BEYOND THE CLASSROOM

We strive to provide a wide range of learning opportunities for our students by incorporating STEAM activities across all subjects and grade levels. This helps ensure that our students are well-prepared for the real world, where technology and science are at the forefront of many fields.
